## The uncertainties of travel

Traveling abroad can be an exciting experience. But what would happen if you or one of your family members became ill or injured while away from home? International travel can quickly turn frightening if you're not prepared for a medical emergency.

Most travelers assume they will be covered by their standard medical plan. The truth is, while traditional plans may offer adequate domestic coverage, they may not be designed for international travel. Without even realizing it, you may be putting your health - and that of your family - at risk.

What if you are injured or become ill during your trip? Could you get quality treatment at an unfamiliar hospital? How would you deal with the language and currency barriers? What if the treatment you need isn't available nearby? Who do you call? Imagine trying to call your insurance company at 3:00 a.m. from a foreign country during a medical emergency! Will they be there when you need them the most?

You have enough things to worry about when you're traveling. Don't let your medical coverage be one of them. International Medical Group<sup>SM</sup> (IMG<sup>SM</sup>) has developed three Patriot Travel Medical Insurance<sup>SM</sup> plans to provide you and your family Coverage without Boundaries<sup>SM</sup>. Each plan offers a complete package of international benefits and 24 hour availability. Simply select the one that best fits your needs.

## SCHEDULE OF BENEFITS

<b>Emergency Evacuation</b>	<b>To Policy Maximum when coordinated through IMG</b>
-----------------------------	---

Each Patriot Travel Medical Insurance<sup>SM</sup> plan includes coverage for Emergency Medical Evacuations to the nearest qualified medical facility or the country of residence (as determined by IMG<sup>SM</sup>); expenses for reasonable travel and accommodations resulting from the evacuation; and the cost of returning to either the country of residence or the country where the evacuation occurred, up to the policy limit.

<b>Emergency Reunion</b>	<b>To US\$15,000 when coordinated through IMG</b>
--------------------------	---

Each Patriot<sup>SM</sup> plan also provides emergency reunion coverage, up to US\$15,000 for a maximum of 15 days, for the reasonable travel and lodging expenses of a relative or friend during an Emergency Medical Evacuation: either the cost of accompanying the insured during the evacuation or traveling from the country of residence to be reunited with the insured.

<b>Repatriation</b>	<b>To US\$25,000 when coordinated through IMG</b>
---------------------	---

If a covered illness/injury results in death, expenses for Repatriation of bodily remains or ashes to the country of residence will be covered up to a maximum of US\$25,000.

<b>Returning Minor Children</b>	<b>To US\$5,000 when coordinated through IMG</b>
---------------------------------	--

If an insured person is hospitalized due to a covered illness/injury and is traveling alone with child(ren) 19 or under that otherwise would be left unattended, the Patriot plans will pay up to US\$5,000 for one way economy fare to their home country, including a chaperone, if necessary, for the safety of the child(ren).

**End of Trip Home Country Coverage** - For every six months of coverage you purchase, you can purchase one additional month of home country coverage up to a maximum of two months.

<b>Trip Cancellation</b>	<b>To US\$5,000</b>
