

As a registered user of MyIMGSM, you can access eDocAmerica and communicate with experienced health care professionals 24 hours a day, regardless of your location.

eDocAmerica allows you to consult with board-certified physicians, licensed psychologists, pharmacists, dentists, eye doctors, alternative medicine doctors, dieticians and fitness trainers to assist you with any routine health related questions you have.

eDocAmerica focuses on addressing your concerns in a convenient manner and providing you with support to make informed decisions.

Unlimited access to board-certified physicians, licensed psychologists, pharmacists, dentists, eye doctors, alternative medicine doctors, dieticians and fitness trainers for routine health related questions and information.

- » *Help contain your health care costs*
- » *eDoc professionals will quickly respond to your questions*
